
EMERGENCY PLAN: HOSTILE INTRUDER

A step-by-step guide on what to do in the event of a hostile intruder.

RUN

Be alert and determine if you can escape safely. If possible, the best course of action is to **GET OUT**.

HIDE

If escape is not possible:

- **HIDE OUT:** Locate a room with locks, barricade the door, and stay quiet.
- **TAKE COVER:** Hide behind items that would deflect a bullet if necessary.

FIGHT

MAKE A PLAN, and work with others to stay safe. While hiding, be active and prepare to fight an intruder if necessary. Locate items that could be used to protect yourselves.

CONTACT POLICE

When possible, call 911. Inform the responder of your location and what danger you are in. When help arrives, **REMAIN CALM**, and follow instructions from the police.
